Project Response, Inc. is a non-profit crisis center that provides support and advocacy to victims of domestic violence, sexual assault, and other related issues. Like other non-profit organizations, Project Response relies heavily on monetary and supply donations as one of their essential means of support. We are always in need of donated items to help serve people in Johnson, Nemaha, Otoe, Pawnee and Richardson counties. Donations can be mailed to the Auburn office or brought to the Auburn or Nebraska City offices. Your contributions are tax deductible.

The following list is not necessarily all-inclusive, but provides a general idea of the items our agency so desperately needs. The asterisked (\*) items are those of which we are especially in need.
